Projects	4 – Minimum 90% Average	3 – Minimum 80% Average	2 – Minimum 70% Average	1 – Minimum 60% Average	0 – Below 60% Average	4
					Average:	4

Comments: Abdullah has a very promising future ahead of him, and has demonstrated that he has both the aptitude and the attitude that is necessary for a successful career in S.T.E.M. He has made nothing less than an A on any assignment since the beginning of the school year. I appreciate the balance that he has found between his love for athletics and his love for academics. He is a well rounded and well mannered student.
