

I;
I am;
I am alive;
I am conscious and aware;
I am unique;
I am who I say I am; I am the value GOD
I forever evolve inwardly and outwardly in
response to the challenge of my nature;

I AM

*Excerpts from
Conflict of
Minds by J.K.
Ngubane*

I am the face of humanity,
The face of humanity is my face.
I contemplate myself and see everything in me.

I outgrow the use of crutches;
I face the challenge of being eternal;
I align the cells in my body;
I know each, by name;
I am self-knowledge without end;
That which I eat, drink or learn I convert into myself;
I walk in humility in the presence of the person;
I can afford to be humble; I am not afraid; I am adequate;
That doctrine shall prevail which is not afraid of the person.
I reject all dogmas; they create disorder in my personality.
I am the enemy of all dogma, for dogma is a prison of the mind.

I am a value; I have all the power to be what I want to be;
There is glory in being human; in being a self-defining value.
My name is Man; my name is Woman;
I formed myself from my mandate;
My mandate was the law;
I entered earth as an act of will;
I came to realize the promise of being a value;
To realize the glory of being human;
To discover more satisfying dimensions of being a person.
I am not alone; I have never been alone;
I shall never be alone,
For I am a cluster.
I am Father-Mother;
I am the cluster of phenomena which constitute me.
I am Father-Mother-Child.
I am the past, the present and the future.
I have no beginning and no end;
I am the geodesic circle in which Father and Mother
merged to become me.
I extend myself into the child.
I am the brick out of which society is built.
I am the Eternal Person.
