

Araminta

Harriet Tubman's

Warrior - Healer - Builder Story

*After all these years, she's still
coming to free us, this time,
from mental bondage.*

*Too many of our power
stories have been hidden,
contaminated, or scripted
to serve aliens. That
includes the story of our
beloved Harriet Tubman.
Let's change that!*

*Through the Araminta -
Harriet Tubman WHB story
she'll teach us to counter
"injected racial scripts"
which turn our own stories
against us.*
